Request for Extension, General Counsel's Report

Dear Jim:

The referenced CON was approved June 26, 2013 for an ASTC limited to plastic surgery with one (1) operating room. The expiration date of the CON is August 1, 2015. On behalf of Maxwell Aesthetics, PLLC, I am requesting an extension of this project until August 1, 2017.

There are several reasons for this request, briefly stated as follows:

1. Patient demand for proposed services appears greater than originally planned;
2. Submitted plans may need to be altered;
3. Hospitals are "blocking" aesthetic surgery times, limiting access for procedures;
4. The Applicant is interviewing new surgeons who may want to join the practice; and
5. Existing space may not be sufficient to make changes to our project.

We are researching whether or not we need to increase space, or even move our project to another location. With all of these moving parts, the Applicant needs the additional time to arrive at a plan that will satisfy patient needs at the lowest cost possible.

The Applicant will attend the February meeting to more fully explain our situation. Thank you for your assistance in this matter.

Sincerely,

E. Graham Baker, Jr.
